Product Datasheet

Sound insulation tape

CODEX BST 10

Self-adhesive foam tape to prevent acoustic bridges with the installation of shower bases and bathtubs

APPLICATIONS

The 1-sided adhesive sound insulation tape avoids sound bridges between the tub edge and the building structure and contributes to the reduction of sound transmission.

PRODUCT BENEFITS/FEATURES

- Simple installation
- Self-adhesive
- Sound-insulating

TECHNICAL SPECIFICATIONS

Pack type	carton
Pack size	20 m roll
Shelf life	24 months
Color	white
Length	20 m
Width	3 cm
Thickness	4 mm

SUBSTRATE PREPARATION

The surfaces to be bonded must be dry, free from dust, oil, release agents and other contaminations that could interfere with adhesion.

Refer to the product data sheets for other codex products used.

APPLICATION

1. The codex BST 10 sound insulation tape is bonded to the previously applied codex BST 20 tub sealing tape for additional sound absorption.

IMPORTANT NOTES

- Store dry at room temperature, protect from direct exposure to light.

PROTECTION OF THE WORKPLACE AND ENVIRONMENT

The product itself does not require any special labour protection measures. Refer to the notes on protection of the workplace and the environment in the Product Information Sheets for the other installation materials used.

DISPOSAL

Sleeves and carton packaging free from residues can be recycled. Material residues can be disposed of with domestic waste.

The above information is based on our experience and careful investigations. The variety of associated materials and different construction and working conditions cannot be individually checked or influenced by us. The quality of your work depends, therefore, on your own professional judgement and product usage. If in doubt, conduct a small test or obtain technical advice. Observe the installation recommendations of the covering manufacturer. The publication of this datasheet invalidates all previous Information. The respective updated version of this datasheet can be found on our website: www.codex-x.com | 01/2022
