

PREMIUM ACCESSORY – Adhesive Remover

UZIN CLEAN BOX

Citrus-based cleaning cloths for removing adhesive and other residues

DESCRIPTION:

Cleaning cloths for gentle removal of adhesive residues on smooth wear surfaces such as prefinished wood flooring. Works well for cleaning of hands and tools.

SUITABLE FOR:

Removing the following:

- ▶ 1-component and MSP adhesive residues, either fresh or dried, from wear surfaces such as wood flooring and ceramic tile.
- ▶ 2-component and epoxy resin adhesive residues, either fresh or slightly cured.
- ▶ Dispersion adhesive residues, either fresh or dried, from wear surfaces such as wood flooring and PVC coverings, fresh synthetic resin adhesive residues.
- ▶ Cement-based residues such as cement mortar film on ceramic tile.
- ▶ Fresh synthetic resin adhesive residues
- ▶ Fresh cementitious residues
- ▶ Contaminations of oil, grease, tar, wax, ink, carbon, grass and other stubborn material

FEATURES AND BENEFITS:

- ▶ Handy, re-sealable container – Easy access to cloths, no waste
- ▶ Rapid drying without residue – Fast residue removal
- ▶ Multipurpose use – For floor finish surfaces, hands and tools
- ▶ Effective cleaning properties, yet mild – Gentle on skin with pleasant, fresh smell
- ▶ Cost saving – Avoids removal of hardened adhesives

TECHNICAL DATA:

Packaging	Plastic pail, 72 cloths / 6 pails per box
Storage	Min. 24 months if kept at cool, normal room temperatures Protect from heated storage situations.
Color	Green blue
Gewicht	2 lbs

PRODUCT PROPERTIES:

Cleaning cloths for gentle removal of adhesive residues on smooth wear surfaces such as prefinished wood flooring.

APPLICATION:

1. Open the seal-cap of the UZIN CLEAN BOX, pull out a cloth until the perforations are visible, then tear off.
2. Dab adhesive residues or soiling on wear surfaces, hands, tools, and machinery with the UZIN cleaning cloths, allow to work according to the degree of contamination, then rub until completely removed.
3. Repeat as necessary.
4. Close the seal cap tightly when finished.

IMPORTANT NOTES:

- ▶ Excessive or vigorous rubbing with CLEAN BOX towels may damage surfaces.
- ▶ Oiled or waxed surfaces may be damaged or stripped when using the CLEAN BOX towels. Test the surface first for compatibility and resistance in an inconspicuous area.
- ▶ Always ensure that the seal cap is securely closed.

PROTECTION OF THE WORKPLACE AND THE ENVIRONMENT:

Take appropriate safety and health protection measures according to the work environment and all applicable regulations and laws. Keep the product out of reach of children. For more information, visit www.uzin.us.

DISPOSAL:

Dispose of the product and packaging according to all federal, state, and local applicable regulations. Avoid or minimize waste generation when possible. Cardboard packaging is recyclable.
